University Health Board

Did you know you could go straight to see a physiotherapist for NHS assessment without seeing your GP first?

Come to our first come first served “drop in” service with up to 15 places for:

- Adults registered with Torfaen GP
- With new or existing musculoskeletal conditions
- Who are able to attend outpatient physiotherapy

New location
from 24th
September 2018

Monday to Friday from 9.00am to 11.30am. (Or until all places taken)

At the PARC Unit,
County Hospital,
Coed-Y-Gric Road,
Griffithstown,
NP4 5YA.

How the direct access “drop in” assessment sessions work?

You will need to complete a self referral form prior to any assessment. Please bring details of medications you take with you.

(If you do not feel comfortable to do this yourself, please bring someone to help you with this or visit your GP to obtain a referral)

The physiotherapist will perform a brief assessment to identify if you:
